2 Financing and Commitment

- 2.1 The obligations under the Interim Facilities Agreement shall be separately enforceable in accordance with its terms. The provisions of this letter will also remain in full force and effect notwithstanding the entry into the Interim Facilities Agreement and the advance of funds thereunder, unless this letter has been terminated in accordance with its terms.
- 2.2 We further refer to the letter from us dated on or around the date of this letter relating to the documentary conditions precedent set out in Schedule 3 (*Conditions Precedent*) to the Interim Facilities Agreement, as such letter may be amended, amended and restated, supplemented, modified, varied or replaced from time to time (the "**Interim CP Satisfaction Letter**").
- 2.3 The terms and conditions of this letter shall continue to apply for the purposes of paragraph (b) of clause 3.1 (*Conditions Precedent*) of the Interim Facilities Agreement and the Senior Facilities Agreement (as defined in paragraph 3 (*Documentation*) below) (once executed) and accordingly, we confirm, in our various capacities under the Interim Facilities Agreement and the Senior Facilities Agreement (as defined in paragraph 3 (*Documentation*) below), that:
- (a) all documents, evidence and other conditions to first utilisation of the Interim Facilities referred to in paragraph 2.2(a) of the Interim CP Satisfaction Letter:
 - (i) have been received by us, are in form and substance satisfactory to us and as such the corresponding conditions precedent have been satisfied; and
 - (ii) will be accepted by us in satisfaction of the equivalent conditions precedent in the Senior Facilities Agreement on the date of execution of the Senior Facilities Agreement (as defined in paragraph 3 (*Documentation*) below); and
 - (b) all documents, evidence and other conditions to first utilisation of the Interim Facilities referred to in paragraph 2.2(b) of the Interim CP Satisfaction Letter:
 - (i) are in an agreed form; and
 - (ii) once executed and/or delivered in such agreed form (together with such amendments as are not materially adverse to the interests of the Original Interim Lenders (taken as a whole) under the Interim Finance Documents (as defined in the Interim Facilities Agreement) or any other changes or additions approved by the Arrangers (acting reasonably and in good faith)), as the case may be, by the Company (or such other relevant party):

- (A) will be in form and substance satisfactory to us;
- (B) will be accepted by us in satisfaction of the corresponding conditions precedent in the Interim Facilities Agreement, which will be treated as having been satisfied on the date of such execution and/or delivery and following which the Interim Facilities shall be unconditionally available for utilisation; and
- (C) will be accepted by us in satisfaction of the equivalent conditions precedent in the Senior Facilities Agreement (as defined in paragraph 3 (*Documentation*) below) on the date of execution of the Senior Facilities Agreement, once any necessary changes have been made solely to reflect that funding will occur under the Senior Facilities Agreement (and not under the Interim Facilities Agreement).

3 Documentation

3.1 It is acknowledged and agreed by the parties to this letter, but without affecting the rights and obligations of the parties under the Interim Facilities Agreement, that it is the parties' intention that:

- (a) funding of the commitments in respect of the Facilities takes place pursuant to a facilities agreement relating to the Facilities (the "**Senior Facilities Agreement**") and not the Interim Facilities Agreement; and
- (b) they will negotiate the Senior Facilities Agreement and related intercreditor agreement (the "**Intercreditor Agreement**") and other Finance Documents (as defined the Senior Facilities Agreement) in good faith to reflect the provisions set out in the Commitment Documents and use all reasonable endeavours to execute the Senior Facilities Agreement, the Intercreditor Agreement and the other Finance Documents within twenty (20) Business Days (or such longer date as may be mutually agreed) of the date on which the Company notifies the Commitment Parties accordingly (but in any event ten (10) Business Days prior to the Closing Date (the "**Proposed Signing Date**") (and if the Company fails to so notify the Commitment Parties, the Proposed Signing Date shall be deemed to be the date falling ten (10) Business Days prior to the Closing Date) so that funding of the Transaction may take place pursuant to the Senior Facilities Agreement and not the Interim Facilities Agreement.

3.2 If, despite negotiation in good faith and the use of all reasonable endeavours, the Senior Facilities Agreement, the Intercreditor Agreement and the other Finance Documents (as defined in the Senior Facilities Agreement) have not been agreed by the parties prior to the Proposed Signing Date, then on the date falling five (5) Business Days thereafter (or such later date as counsel to the Company has prepared a draft for signature on the following basis) (but without affecting the rights and obligations of the parties under the Interim Facilities Agreement) the parties each undertake to sign (I) a Senior Facilities Agreement and (II) an Intercreditor Agreement, which will contain:

- (a) provisions which reflect the provisions of the Commitment Documents; and
- (b) with respect to:
 - (i) the Senior Facilities Agreement, in relation to any matter which is not (or which is only partially) dealt with in the Commitment Documents, but which is dealt with in the form of senior facilities agreement (based on the senior facilities agreement agreed for the Sponsor's acquisition of thyssenkrupp Elevator AG (as amended and/or restated)) provided by you (or on your behalf) to the Commitment Parties prior to the date of this letter (the "**Precedent Senior**

Facilities Agreement"), provisions which are consistent with the corresponding provisions of the Precedent Senior Facilities Agreement; and

- (ii) the Intercreditor Agreement, in relation to any matter which is not (or which is only partially) dealt with in the Commitment Documents but which is dealt with in the form of intercreditor agreement provided by you (or on your behalf) to the Commitment Parties prior to the date of this letter (the "**Precedent Intercreditor Agreement**"), provisions which are consistent with the corresponding provisions of the Precedent Intercreditor Agreement,

in each case, amended as necessary to reflect the terms and conditions of transactions of the Sponsor and/or its portfolio companies in the European leveraged finance market ("**Market Terms**") and the legal structure, capital structure and jurisdictions of the Offer and Acquisition, the Target Group and the provisions of the Commitment Documents.

3.3 Notwithstanding paragraph 3.2 above, to the extent not set out in Schedule 1 (*Key Baskets and Thresholds*) of the Term Sheet:

- (a) the thresholds and basket levels applicable to the representations, undertakings and events of default in the the Senior Facilities Agreement and the Intercreditor Agreement (together the "**Debt Financing Documents**") will be based on the Precedent Senior Facilities Agreement and/or the Precedent Intercreditor Agreement (as applicable) (together, the "**Precedent Agreements**") and sized taking into account the anticipated operational requirements and flexibility of the Target Group following the Closing Date and/or any Acquisition; and
- (b) to the extent such thresholds and basket levels cannot be agreed between the parties, the thresholds and baskets in each Debt Financing Document will be based on the corresponding thresholds and baskets in the relevant Precedent Agreement, proportionately increased or decreased to reflect the difference in the EBITDA and gross assets (as relevant) of the target group to which the relevant Precedent Agreements relate at the time of its acquisition to the EBITDA and gross assets (as relevant) of the Target Group (ascertained by reference to the latest available audited or unaudited carve-out financial statements of the Target Group and any related adjustments as included in the Base Case Model) as amended as necessary to reflect the legal, capital structure, timing and jurisdiction of the Acquisition,

in each case, in relation to any other matter which is not dealt with (or which is only partially dealt with) in the Commitment Documents, provisions which are consistent with corresponding Market Terms and which are no more restrictive to the Group than the terms of the Precedent Senior Facilities Agreement and amended as necessary to reflect Market Terms and the legal structure, capital structure, timing and jurisdictions of the Offer and Acquisition, the Target Group and the provisions of the Commitment Documents.

3.4 In relation to any other matter in respect of any Debt Financing Document which is not dealt with (or which is only partially dealt with) as provided in this paragraph 3, the relevant language shall be:

- (a) such option or language as is reasonably requested by the Company; or
- (b) if the Company does not specify any option or language within five (5) Business Days of the date of a written request by the Commitment Parties, such option or language reasonably requested by the Commitment Parties.

3.5 The first draft of each Debt Financing Document will, unless otherwise agreed, be prepared by the Company's lawyers on a basis that is consistent with the approach described in this paragraph 3.

4 Appointment

4.1 On acceptance of the offer set out in this letter and subject to the terms of this letter (including paragraph 15.5 below), and except as otherwise provided in the Commitment Documents, the Company:

- (a) appoints each Arranger as an arranger and bookrunner of the Facilities and the Interim Facilities and each Arranger hereby agrees to act as an arranger and bookrunner of the Facilities and the Interim Facilities;
- (b) appoints each Underwriter as an underwriter and original lender of the Facilities and the Interim Facilities and each Underwriter hereby agrees to act as an underwriter and original lender of the Facilities and the Interim Facilities; and
- (c) agrees that no additional arrangers, bookrunners, underwriters or original lenders of the Facilities and the Interim Facilities will be appointed, other than in accordance with this letter or the other Commitment Documents, **provided that** the Company may, in its absolute discretion (and notwithstanding any other term, express or implied, of the Commitment Documents), award any other titles, roles or designations (including "lead left", "global coordinator" and/or "physical bookrunner") in respect of the Acquisition, the Facilities or the Interim Facilities to any person.

4.2 Credit Suisse AG, Cayman Islands Branch confirms that it is prepared to act (or one of our Affiliates is prepared to act) as:

- (a) facility agent in respect of any or all of the Facilities (the "**Agent**"); and

- (a) its commitments under this letter are not conditional on being appointed as Agent and/or Security Agent; and
- (b) it will accept the appointment of any Commitment Party, any of their Affiliates or any other person selected by the Company as Agent and/or Security Agent.

4.4 The obligations of the Commitment Parties are several. No Commitment Party is responsible for the obligations of any other Commitment Party.

5 Conditions

5.1 The commitment of (i) each Arranger to arrange and manage the Facilities and (ii) each Underwriter to underwrite and act as original lender in respect of the relevant proportion of the Facilities, on the terms and subject to the conditions set out in the Commitment Documents (but not the commitment to provide the Interim Facilities or the rights and obligations of the parties under the Interim Facilities Agreement), is subject only to the execution of the Senior Facilities Agreement, and the Intercreditor Agreement in accordance with paragraphs 2 (*Financing and Commitment*) and 3 (*Documentation*) above and there are no other conditions, express or implied, to such commitment.

5.2 Without limiting the conditions precedent provided herein to funding the consummation of the Acquisition with the proceeds of the Facilities, the Arrangers will cooperate with you as

reasonably requested in coordinating the timing and procedures for the funding of the Facilities and the Interim Facilities (as applicable) in a manner consistent with the Acquisition Documents.

5.3 For the avoidance of doubt and notwithstanding any provision to the contrary in the Commitment Documents, we hereby acknowledge and agree that our obligation to provide the Interim Facilities is subject only to the terms and conditions set out in the Interim Facilities Agreement and nothing in the Commitment Documents (including, without limitation, any breach or termination of this letter or any failure to agree any documents pursuant to paragraph 2 (*Financing and Commitment*)) above shall prevent us from funding, participating or making available the Interim Facilities in accordance with the provisions of the Interim Facilities Agreement.

5.4 Each Commitment Party confirms that:

- (a) it has completed and is satisfied with the results of:
 - (i) all client identification procedures in respect of the Investors, the Obligors (as defined in the Interim Facilities Agreement) and Cobham Ultra Holdings Limited, Cobham Ultra TopCo S.à r.l., Cobham Ultra PIKCo S.à r.l., Cobham Ultra MidCo S.à r.l. and Cobham Ultra SunCo S.à r.l., that, in each case, it is required to carry out in connection with making the Facilities or, as the case may be, the Interim Facilities available in connection with the Transaction and assuming its other liabilities and assuming and performing its obligations under the Commitment Documents, in compliance with all applicable laws, regulations and internal requirements (including, without limitation, all applicable money laundering rules and "know your customer" requirements); and
 - (ii) all due diligence which has been carried out by it, or on its behalf, in respect of the Transaction and assuming its liabilities and assuming and performing its obligations under the Commitment Documents, the Group (as defined in the Term Sheet) and the Target Group and that it has no further due diligence requirements;
- (b) it has obtained all necessary approvals (including credit committee approvals and all other relevant internal approvals) to allow it to arrange, manage, underwrite and/or make available the Facilities and the Interim Facilities to be arranged, managed, underwritten and/or made available by it in the amounts specified in this letter and does not require any further internal credit sanctions or other approvals in order to arrange, manage, underwrite and/or make available the Facilities and the Interim Facilities (as applicable) in such amounts; and
- (c) it has received, reviewed and is satisfied with the form of:
 - (i) each of the legal opinions set out in paragraph 3 of Part I (*Conditions Precedent to Signing*) of Schedule 3 (*Conditions Precedent*) to the Interim Facilities Agreement;
 - (ii) the Approved List and the DQ List;
 - (iii) a copy of the first public Announcement;
 - (iv) each of the Reports (as defined in Part I (*Conditions Precedent to Signing*) of Schedule 3 (*Conditions Precedent*) to the Interim Facilities Agreement); and
 - (v) the base case model set out in paragraph 5(b) of Part I (*Conditions Precedent to Signing*) of Schedule 3 (*Conditions Precedent*) of Schedule 3 (*Conditions Precedent*) to the Interim Facilities Agreement,

in each case, in such form provided to us on or prior to the date of this letter and that we will accept in satisfaction of any condition precedent to the availability of the Interim Facilities or, as the case may be, the Facilities requiring delivery of that document a final version of the document which is not different in respects which are materially adverse to our interests under the Interim Facilities or the Facilities (as applicable) compared to the version of the document accepted by us pursuant to this paragraph (c) and for these purposes we agree that any changes made to the approved Tax Structure Memorandum in connection with any Holdco Financing (as such term is defined in the Interim Facilities Agreement) will not be considered to be a material and adverse change to the Tax Structure Memorandum, **provided that** the terms of such Holdco Financing are not inconsistent with the Holdco Financing Major Terms (as such term is defined in the Interim Facilities Agreement).

- (d) Subject to paragraph (e) below, solely in relation to the Tax Structure Memorandum (as defined in Part I (*Conditions Precedent to Signing*) of Schedule 3 (*Conditions Precedent*) to the Interim Facilities Agreement), you will, to the extent requested to do so by the Commitment Parties and only on the basis that it is required for syndication of Facility B, use your commercially reasonable endeavours to obtain, prior to the Closing Date, a reliance letter in relation to the Tax Structure Memorandum which is addressed to all of the Commitment Parties and original lenders (including those becoming lenders on primary syndication of Facility B), **provided that** the terms of such reliance letters are agreed between the relevant report provider and Commitment Parties prior to the Closing Date. For the avoidance of doubt, the provision of any such reliance letter shall not directly or indirectly be a condition to the utilisation of the Facilities or the Interim Facilities.
- (e) You will not be obliged to comply with paragraph (d) above:
 - (i) if the Commitment Parties and the relevant report provider do not agree the terms of the reliance letter for the Tax Structure Memorandum prior to the Closing Date; or
 - (ii) if the relevant report provider has adopted a general policy that they will not provide such reliance letters.
- (f) The Company and the Sponsor (in their sole and absolute discretion) may elect to update their due diligence (including any Reports) from time to time and deliver any updated Reports to the Arrangers and Underwriters after the date of this letter, and each such updated Report shall be deemed to be in form and substance satisfactory to the Arrangers and Underwriters if the final Reports are, in form and substance, substantially the same as the final versions or drafts (as applicable) received by the Arrangers and Underwriters prior to the date of this letter, save for any changes which are not materially adverse to the interests of the Underwriters (taken as a whole) under the Commitment Documents, Interim Finance Documents, Finance Documents or any other changes approved by the Instructing Arrangers (each acting reasonably) with such approval not to be unreasonably withheld, made subject to any condition or delayed. For the avoidance of doubt, the Company and/or the Sponsor may update any due diligence (including any Report) from time to time and there shall be no requirement for any such updates to be provided to the Arrangers, Underwriters, any Interim Finance Party or any Finance Party (and failure to provide such updates shall not affect the satisfaction of this condition).

6 Fees, Costs and Expenses

- 6.1 All fees, costs and expenses of the Commitment Parties, the Agent (as defined in the Senior Facilities Agreement) and the Security Agent (as defined in each Debt Financing Document) shall be paid in accordance with the provisions of the Fee Letter or as set out in the Term Sheet (without double counting).

- 6.2 Subject to paragraph 6.3 below and save as otherwise provided in the Fee Letter no fees or other closing payments (including, for the avoidance of doubt, arrangement, underwriting, market participation, ticking and commitment fees), costs or expenses will be payable if the Closing Date or, as applicable, the Interim Closing Date, does not occur.
- 6.3 Reasonable and properly incurred legal costs, expenses and disbursements in connection with the drafting and the negotiating of the Commitment Documents and/or the Debt Financing Documents and any other pre-agreed costs or expenses, in each case, up to an amount agreed between the Commitment Parties and the Company (or on its behalf) subject to a broken deal discount will be payable by the Company (or on its behalf) even if the Closing Date or, as applicable, the Interim Closing Date, does not occur.

7 Payments

- 7.1 All payments to be made under the Commitment Documents (save in relation to payments made under the Interim Facilities Agreement which shall be made in accordance with the terms of the Interim Facilities Agreement):
- (a) shall be paid in the currency of invoice and in immediately available, freely transferable cleared funds to such account with such bank as the relevant Commitment Party shall notify to the Company with at least five (5) Business Days' prior written notice;
 - (b) shall be paid without set off or counterclaim and free and clear from any deduction or withholding for or on account of any tax (a "**Tax Deduction**") unless a Tax Deduction is required by law; and
 - (c) are exclusive of any value added tax or similar charge ("**VAT**").
- 7.2 If a Tax Deduction is required to be made by law on a payment under any Commitment Document (save in relation to payments made under the Interim Facilities Agreement which shall be made in accordance with the terms of the Interim Facilities Agreement), the amount of the payment due shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required, except to the extent that such withholding or deduction is imposed due to the failure of the beneficiary of such payment to provide any form, certificate, document or other information that would have reduced or eliminated such deduction or withholding where such form, certificate, document or other information was reasonably requested in writing by the Company. The Company agrees to indemnify the Commitment Parties for the full amount of any Tax Deduction and any liability (including penalties, interest and expenses) arising therefrom or with respect thereto.
- 7.3 Without limiting the foregoing, if VAT is or becomes chargeable in respect of an amount payable to a Commitment Party under the Commitment Documents (save for amounts payable under the Interim Facilities Agreement, which shall be made in accordance with the terms of the Interim Facilities Agreement) which constitutes consideration for any supply for VAT purposes and such Commitment Party (or a member of a group which it is part of for VAT purposes) is required to account to the relevant tax authority for the VAT, the Company shall pay (or procure the payment of) (in addition to and at the same time as paying any other consideration for the relevant supply) an amount equal to the VAT chargeable on that supply to the relevant Commitment Party (subject to such Commitment Party promptly providing an appropriate VAT invoice). For the avoidance of doubt, where a Commitment Document requires that a Commitment Party or Indemnified Person is to be reimbursed or indemnified for any cost or expenses, such reimbursement or indemnification (as the case may be) shall include any VAT incurred on such cost or expense save to the extent that the relevant Commitment Party or Indemnified Person reasonably determines that it (or a member of a group for VAT purposes of which it is part) is entitled to credit or repayment in respect of such VAT from the relevant tax authority.

8 Information

8.1 At the times set out in paragraph 8.2 below, the Company represents and warrants to the Commitment Parties that, to its knowledge:

- (a) any material written factual information (taken as a whole including any written factual information (taken as a whole) contained in the Information Memorandum (as such term is defined in the Syndication Strategy Letter)) provided to the Commitment Parties by, or on behalf of it, or any other member of the Group in connection with the Acquisition (the "**Information**") is true and accurate in all material respects on:

 - (iii) otherwise, the date on which such Information is provided;
- (b) nothing has occurred or been omitted and no information has been given or withheld that results in the Information being untrue or misleading in any material respect (taken as a whole) in light of the circumstances under which such statements were or are made; and
- (c) any financial projections contained in the Information have been prepared in good faith on the basis of recent historical information and on the basis of reasonable assumptions (it being understood that such projections may be subject to significant uncertainties and contingencies, many of which are beyond the control of the Company, and that no assurance can be given that the projections will be realised).

8.2 The representations and warranties set out in paragraph 8.1 above are deemed to be made by the Company on the date of this letter and by reference to the facts and circumstances then existing on the date hereof (or otherwise in respect of the period to which the relevant Information or projections are expressed to relate or the representations in respect thereof are expressed to be given).

8.3 The Company acknowledges that the Commitment Parties will be relying on the Information without carrying out independent verification.

8.4 The representations and warranties in paragraph 8.1 above will be superseded by those in the Senior Facilities Agreement (once signed by all parties thereto).

9 Indemnity

9.1 Whether or not the Senior Facilities Agreement is signed, the Company shall within ten (10) Business Days of written demand (together with reasonably detailed back up documentation supporting such demand) indemnify and hold harmless the Commitment Parties and any of their respective Affiliates and any of their (or their respective Affiliates') directors, officers, agents, advisers and employees (as applicable) in each case in their capacity as an arranger, underwriter and/or original lender (each an "**Indemnified Person**") against any cost, expense, loss, liability (including, except as specified below without limitation, reasonably incurred legal fees and limited, in the case of legal fees and expenses, to one counsel to such Indemnified Persons taken as a whole and in the case of a conflict of interest, one additional counsel to the affected Indemnified Persons similarly situated, taken as a whole (and, if reasonably necessary one local counsel in any relevant jurisdiction)) incurred by or awarded against such Indemnified Person in each case arising out of or in connection with any action, claim, investigation or proceeding (including, without limitation, any action, claim, investigation or proceeding to preserve or

- (a) directly from fraud, the gross negligence or wilful misconduct of such Indemnified Person or results from such Indemnified Person breaching a term of or not complying with any of its obligations under the Commitment Documents, the Senior Facilities Agreement or the Interim Facilities Agreement and/or any other Finance Document (under and as defined in the Senior Facilities Agreement) or Interim Finance Document (as defined in the Interim Facilities Agreement) or any Confidentiality Undertaking (as defined in paragraph 11.2 below) given by that Indemnified Person; or
- (b) from or relates to any disputes solely among Indemnified Persons and not arising out of any act or omission of the Company or any other entity controlled by the Investors.

9.2 If any event occurs in respect of which indemnification may be sought from the Company, the relevant Indemnified Person shall only be indemnified if (where legally permissible to do so and without being under any obligation to so notify to the extent that it is not lawfully permitted to do so) it:

- (a) notifies the Company in writing within a reasonable time after the relevant Indemnified Person becomes aware of such event and this provision;
- (b) consults with the Company fully and promptly with respect to the conduct of the relevant claim, action or proceeding;
- (c) conducts such claim, action or proceeding properly and diligently; and
- (d) does not settle any such claim, action or proceeding without the Company's prior written consent (such consent not to be unreasonably withheld or delayed),

provided that the above indemnity shall be superseded by any corresponding indemnity contained in the Interim Facilities Agreement and the Senior Facilities Agreement (as applicable) (in each case once signed by all parties thereto).

9.3 Paragraph 9.1 shall not apply to the extent that the relevant cost, expense, loss or liability incurred by or awarded against the Indemnified Person falls within any of the categories set out in clause 10.2 (*Exceptions from gross up*), paragraph (b) of clause 10.3 (*Tax Indemnity*) or paragraph (b) of clause 11.1 (*Increased Costs*) of the Interim Facilities Agreement.

9.4 The Contracts (Rights of Third Parties) Act 1999 shall apply to this paragraph 9 so that each Indemnified Person may rely on it, subject always to the terms of paragraphs 10 (*Third Party Rights*) and 23 (*PATRIOT Act*)

9.5 *We hereby* notify you that pursuant to the requirements of the USA PATRIOT Act, Title III of Pub. provided that:

- (A) a switch from a Scheme to an Offer or from an Offer to a Scheme (or, for the avoidance of doubt, any amendments to the terms or conditions of a Scheme or an Offer) shall not constitute a lapse, termination or withdrawal for the purposes of paragraphs (a) or (b) (as applicable) above;
 - (B) if an initial drawdown has occurred under the Interim Facilities Agreement, the Long Stop Date shall be automatically extended to 11.59 p.m. (in London) on the Final Repayment Date (as defined in the Interim Facilities Agreement), to the extent that the Final Repayment Date (as defined in the Interim Facilities Agreement) would fall after the Long Stop Date;
 - (C) the Long Stop Date will, upon the Company's request (acting in good faith), be extended if necessary or desirable in order to comply with the requirements of the Panel: (x) if the Acquisition is intended to be completed pursuant to a Scheme, up to a maximum of six (6) weeks; or (y) if the Acquisition is intended to be completed pursuant to an Offer, up to a maximum of eight (8) weeks;

 - (E) the Long Stop Date may otherwise be extended to such later time and date as agreed by the Commitment Parties (acting reasonably and in good faith).
- 15.2 Notwithstanding anything to the contrary in this letter or the other Commitment Documents, in the event that an initial drawdown occurs under the Interim Facilities Agreement, the commitments and agreement contained herein shall neither expire or terminate prior to the Final Repayment Date of the Interim Facilities (as defined in the Interim Facilities Agreement).
- 15.3 Subject to paragraph 15.4 below, in respect of any individual Commitment Party, the Company shall have the right to terminate its obligations under this letter in respect of that Commitment Party upon at least three (3) Business Days prior written notice if:
- (a) such Commitment Party is in breach of any material provision of the Commitment Documents; or
 - (b) the Company, acting reasonably and in good faith, has requested amendments to the Commitment Documents, any Debt Financing Document, the Finance Documents (as defined in the Senior Facilities Agreement), the Interim Finance Documents (as defined in the Interim Facilities Agreement) or (in each case) any other documents delivered thereunder that, in the reasonable opinion of the Company, are necessary or desirable to implement or complete the Offer or any Acquisition (including without limitation, amending the Minimum Acceptance Level) or have arisen as a part of the negotiations with the shareholders of the Target, board of directors or senior management of the Target Group (as a whole), the Panel, the High Court of Justice of England and Wales or any anti-trust, regulatory authority (including any Relevant Regulator), any pensions trustee, pensions insurer, works council or trade union (or any similar or equivalent person to any

of the foregoing in any jurisdiction) and such Commitment Party has not consented to such amendments.

15.4 Notwithstanding paragraph 15.1 above, if the Company exercises its termination rights pursuant to paragraph 15.3 above in respect of any Commitment Party (the "**Defaulting Commitment Party**"):

15.5 If the Company does not accept the offer made by the Commitment Parties in this letter by signing the applicable counterparts of:

- (b) the Fee Letter; and
- (c) the Syndication Strategy Letter,

before 11.59 p.m. (in London) on 14 September 2021, being the date falling twenty (20) Business Days after (and excluding) the date of the Original Commitment Letter (as defined in paragraph 20.2 below) (the "**Countersign Date**"), such offer shall terminate at such time and, for the avoidance of doubt, the offers, agreements and undertakings of the Commitment Parties contained in the Commitment Documents remain irrevocably capable of acceptance (and may not be revoked or withdrawn by the Commitment Parties) prior to the Countersign Date. For purposes of determining whether a Lender has a "*net short position*" on any date of determination: (i) derivative contracts with respect to the Loans and Commitments and such contracts that are the functional equivalent thereof shall be counted at the notional amount thereof in euros, (ii) notional amounts in other currencies shall be converted to the Euro Equivalent thereof by such Lender in a commercially reasonable manner consistent with generally accepted financial practices and based on the prevailing conversion rate (determined on a mid-market basis) on the date of determination, (iii) derivative contracts in respect of an index that includes any of the Borrower or other Obligors or any instrument issued or guaranteed by any of the Borrower or other Obligors shall not be deemed to create a short position with respect to the Loans and/or Commitments, so long as (x) such index is not created, designed, administered or requested by such Lender or its Affiliates and (y) the Borrower and other Obligors and any instrument issued or guaranteed by any of the Borrower or other Obligors, collectively, shall represent less than 5% of the components of such index, (iv) derivative transactions that

are documented using either the 2014 ISDA Credit Derivatives Definitions or the 2003 ISDA Credit Derivatives Definitions (collectively, the "**ISDA CDS Definitions**") shall be deemed to create a short position with respect to the Loans and/or Commitments if such Lender is a protection buyer or the equivalent thereof for such derivative transaction and (x) the Loans or the Commitments are a "*Reference Obligation*" under the terms of such derivative transaction (whether specified by name in the related documentation, included as a "*Standard Reference Obligation*" on the most recent list published by Markit, if "*Standard Reference Obligation*" is specified as applicable in the relevant documentation or in any other manner), (y) the Loans or the Commitments would be a "*Deliverable Obligation*" under the terms of such derivative transaction or (z) any of the Borrower or other Obligor (or its successor) is designated as a "Reference Entity" under the terms of such derivative transactions, and (v) credit derivative transactions or other derivatives transactions not documented using the ISDA CDS Definitions shall be deemed to create a short position with respect to the Loans and/or Commitments if such transactions are functionally equivalent to a transaction that offers the Lender or its Affiliates protection in respect of the Loans or the Commitments, or as to the credit quality of any of the Borrower or other Obligor other than, in each case, as part of an index so long as (x) such index is not created, designed, administered or requested by such Lender and (y) the Borrower and other Obligor and any instrument issued or guaranteed by any of the Borrower or other Obligor, collectively, shall represent less than 5% of the components of such index. In connection with any such determination, each Lender shall promptly notify the Agent in writing that it is a Net Short Lender, or shall otherwise be deemed to have represented and warranted to the Borrower and the Agent that it is not a Net Short Lender (it being understood and agreed that the Borrower and the Agent shall be entitled to rely on each such representation and deemed representation), provided that this clause does not apply to the loans and commitments of regulated banks and the Original Lenders under the Revolving Facility.
